Case No. 11-CV-00675-CVE.-TLW

TRIBAL ELDERS' MOTION TO INTERVENE

We, Larry DuShane, Robert BlueJACKET, R.C. Kisse, Jackie Brewer, Perry Hauser, Marilee Squirrel, Preston Ross, Gary Wayne Ross and Captain Ross are Elders in the Eastern Shawnee Tribe of the State of Oklahoma. The Tribe appealed a decision by CFR Court Judge Jon Douthitt issued on the, 28<sup>th</sup> day of April, 2011, we understand both our Tribal attorneys and the Federal Government attorneys agreed to and submitted briefs to this Court. The parties are awaiting a decision by this Court. The briefs were filed on the 8<sup>th</sup> day of February, 2013.

We have been informed that our Business Committee in Executive Sessions has voted to dismiss this lawsuit despite major issues that are important to our Tribe which need to be, and must be resolved by this Court.

We strongly agree with the legal issues argued by our Tribal attorneys and are at a loss why the Business Committee would dismiss this lawsuit, giving no reason for their action.

Because of the important and serious issues affecting our Tribe and its members, we ask the Court to hear this matter and render its decision.

We ask this Court to rule on the important issues which were submitted to you for your decision on the 8<sup>th</sup> day of February, 2012.
